VOL. XXVIII, No. 1

JANUARY, 1978

THE NEW RINK and WINTER SPORTS BUILDING

The new Rink and Winter Sports building on December 22, 1977

Work began on the site in late June of 1977 and progressed well until mid-July when we encountered very poor soil conditions along the north wall line of the proposed building. We lost some two weeks of scheduled progress with remedial work necessary to the column footings in this area. Progress remained excellent through to September when the heavens opened up and it rained, rained and rained. Record rainfalls were recorded locally and progress literally bogged down, as we were at the critical stage of erecting steel and masonry. Once the rains ended, the work moved along

very nicely into November, when again, at the critical stage of roofing and siding of the building, rains came again, followed by winter's early blast of a major snowfall, very cold temperatures and high winds. The men persevered through some horrendous days and managed to close in the gymnasium walls. The rink ice surface slab was poured, on schedule, on November 29th and work proceeded inside the rink to erect boards, lighting, screens, etc., with a scheduled date for skating on ice of January 1st, 1978.

As this report is written in mid-December for recording in

Tiger, we feel confident that the rink will be used during the first week of January and the gymnasium before the end of January. We encountered a major set-back as we prepared the refrigeration equipment for operation when it was found that the existing chiller was leaking badly and had to be replaced. We presently expect delivery of this new chiller on Dec. 23rd and if the weather and other

by mid-November. The very difficult weather conditions through September and early October, and again the severe snow storm in early December have lost us some six weeks of construction time, which means we have to look to a substantial completion in January rather than December.

Although we expect the entire complex to be in full use by the end of January, the exterior landscaping, driveways and painting

An indoor shot of the new Rink

Another view of the interior of the new Rink

factors are with us, the School Engineer will still make ice by Jan. 1st.

The dressing room area will be ready for use by the players as the students return from their Christmas holidays, however the new Gymnasium will not be useable much before the end of January.

We are actually well pleased with the general progress of the construction even though originally we had hoped to be skating

will not be completed until the Spring. However, this will not affect the School's use of the new facility.

Around the School

The fall term has been a very busy and successful one in many ways.

Early in October a great deal of spirit was shown in the School's annual United Way Drive. The week's activities included a bake sale organized by the girls, a raffle of football tickets and a fund raising carnival, all of which proved to be highly successful.

Another highlight of the term was the Fourth Dimension Week. The aim of this was to provide an opportunity for each student to have a learning experience outside of the School setting.

Grade 9, under the able guidance of Mr. Paul Lewis, had an active week in and around the Niagara Peninsula. One day was spent in Toronto where they visited the Science Centre, the Royal Ontario Museum and in the evening attended a performance of Agatha Christie's Mouse Trap. The Ball's Falls Conservation Authority organized a programme for the Grade 9's with the theme of conservation and appreciation of nature. Here instruction was given in soil sampling and earth studies. Other activities included visits to Ontario Paper Co. Ltd., the Sir Adam Beck hydro-electric plant in Niagara Falls and Port Weller Dry Docks Ltd.

The Grade 10 students migrated to Ottawa for the week, where a number of visits pertaining to their history course were set up. These included observing the House of Commons in session and visits to the War Museum, the Science Centre and the Mint. One of the highlights of the trip was an afternoon spent at the Russian embassy.

In conjunction with their Cadet training and the Duke of Edinburgh expeditions, Grade 11 went north to Dorset and Camp Ran-

dalore. Here a group of experts taught a variety of skills associated with canoeing and camping. Such activities as aboriginal technology, rock climbing, orienteering and woodmanship gave the students a considerable insight into wilderness camping and survival. This instruction in addition to that which is given at Ridley will prepare

Grade 9 at Balls Falls as part of their conservation study during Fourth Dimension week

them for a winter camping trip or a canoe trip in Algonquin Park this Spring.

Grade 12 attended a group dynamics session at a conference centre in Paris, Ontario. The theme of this programme was centred on Creative Leadership and helped these students to realize that opportunities for leadership are not confined to those who have the capacity to command. An outpouring of opinion and feeling came from this group and they returned to the School with one great concern; that they should not forget each other, as they had been revealed through this experience.

Grade 13 Geography students made their annual pilgrimage north to Timmins. This field trip included tours of the Pamour and Dome gold mines, the Texas Gulf copper mine and an Abitibi Paper mill where the students saw the mill in operation and also spent time observing logging operations in the northern bush. They visited two academic institutions, the Haileybury School of Mines and the Timmins campus of Northern College where courses in mining engineering and related areas were outlined.

The remainder of Grade 13 worked independently on projects of their own choice. Many used this time to visit universities which they are considering attending next year.

Musically this has been a term of great activity and variety.

A number of outside groups have performed at Ridley. Among these was the Niagara Sinfonia under Leonard Atherton which gave two concerts featuring a wide variety of chamber music. The Brock University Choir presented a programme of classical Christmas music in the Chapel and the Huggett Family, a professional group of musicians from Ottawa, sang and played Renaissance music in full costume and using the instruments of the time.

Ridley musicians achieved great success in a number of endeavours this term.

Noyes Fludde by Benjamin Britten featured the Ridley Orchestra and Choir and a large cast of students and children associated with Ridley and Edith Cavell Public School. The four day run was virtually sold out and was very well received by audiences and reviewers alike. Messrs. Michael Tansley, Thomas Mitchell, David Cosgrove, Trevor Davie and all of those who participated are to be congratulated on a job well done.

As always the School's programme of Christmas Music was a highlight of the term. The Ridley Singers sang Vaughan Williams "Fantasia on Christmas Carols" at the service on December 4th. The Christmas service followed a week later and featured a number of new and old carols performed by the choir and instrumentalists. Such carols as the traditional French "Il est né le divin enfant" with flute accompaniment, made for a very fine service indeed.

L.G.S.

Football — '77

The single most prominent aspect of this year's football season was frustration. There were high spots with victories and satisfaction with development but frustrating occurrences dominated the season.

After a week of fine weather in September the rains came. The next month was a series of cancelled practices, missed games, continually wet uniforms, workouts in the gym or parking lots and occasionally, when the rain was light, fighting the seagulls for a scrap of ground. All teams suffered.

The First team after a solid week of pre-season practice was to have played in the United Way Bowl but due to rain the game was cancelled.

Ian Dunbar, of the Firsts, making a good gain against U.C.C.

The following week the team played away in Hamilton (scheduled for Ridley) in an exhibition game against Westmount, winning 13-7. The T.C.S. disaster took place a week later with the Firsts losing 34-0. A small break in the weather allowed the Firsts to host Nichols on Thanksgiving Weekend and we lost. On 15 October Ridley played its first I.S.A.A. home game. At half time Hillfield was leading 8-0. At this point in the season Ridley had not scored a point in 12 quarters. In the second half the team came to life and managed a 16-8 win with a touchdown on the last play of the game to enlarge a one point lead.

The following week was the Association Weekend. Appleby was the visiting team with a perfect record of 2 and 0. One of the best Association Weekend games followed. A tremendous seesaw battle developed with the outcome finally resting on a forty yard field goal kicked by Captain Ian Dunbar. The final score was 17-16 in favour of Ridley.

U.C.C. was the host team the following week and the Orange and Black went into its drama bag for another close finish. With 8 minutes to go Ridley got the ball on their own 20 yard line, behind 15-7. Five minutes later an unconverted touchdown made the score 15-13. After a short kick-off U.C.C. fumbled on its first play. The Firsts took advantage of the turnover to score another touchdown and brought home a 20-15 victory.

The last league game was against S.A.C. at St. Catharines. It was a well played game with S.A.C. taking over in the last half to win 18-8.

Overall, after a disastrous start the Firsts had a successful

Grade 13 preparing to go underground at the Pamour Gold Mine during their Fourth Dimension geography tour

season. The final league standing showed Ridley tied with Appleby for second place with a 3-2 record. Our congratulations go out to T.C.S. for their championship season.

The Second team played a competitive schedule with home and home games against U.C.C., S.A.C. and T.C.S. and a seventh game against Pickering Firsts.

The team was made up of a number of boys who were playing football for the first time and this inexperience plus a number of key injuries contributed to the disappointing record of 0-7. Several games were close; U.C.C. winning by a touchdown scored in the last minute of one game.

Despite their record the Seconds, captained by Stuart Walton and Mike Smith, never lost their enthusiasm and they could reverse the record next year.

The U/16 team had a huge turnout in September which augurs well for the future of Ridley football. The weather was especially hard on this team with so many people to look at and most being very inexperienced. The team was fortunate in being able to play ten high school junior teams. In the end the record was 1 and 10 but in a particularly difficult week the U/16 scored 7 points less than their opposition but lost two football games. The record does not really indicate the potential of the U/16. The weather and inexperience of the boys really was too much of an obstacle for them to overcome.

P.G.K.

Board of Governors

Last November 30, 1977, the Ridley Board of Governors, from Canada and the United States, gathered once again to convene its Annual General Meeting. This year the meeting was of special significance in that our Chairman for the last four years, Robert W. Stevens, Q.C. passed the responsibilities of office to S. Mac Irwin of Toronto. During these years, Bob Stevens has brought to bear an intensity of leadership and action in dealing with the diverse problems associated with guiding the evolution of the School. Mac Irwin spoke for all the present Board Members when he paid tribute to Bob for his dedicated and effective service over the last four years; the School as a result, is in very fine shape.

Mac Irwin now takes over to lead the forty-two Board Members, sitting on eleven standing committees which are in turn reinforced by twenty-nine Advisory Board members and thirty-one active and interested Rideleians who sit on the various committees of the Board.

One resignation has been recorded in Ian F. T. Kennedy of Toronto, who has given of his time to the School, in addition to acting as Chairman of the Ryerson Board. The newly elected members are R. James Fisher, London; Crawford Gordon, Toronto; John A. MacDonald, London; Richard C. Malone, Winnipeg; Leighton W. McCarthy, Toronto and J. Hugh McDonald of Winnipeg. The senior vice-president and vice-chairman of the Board is Peter MacLachlan, and the vice-presidents are Hubert T. Mandeville, Dr. Donald C. McFarlane, C. Richard Sharpe and Denis R. Evans.

The Annual Meeting covered a wide variety of topics contained in the reports of the various standing committees. Some of the highlights are worthy of mention. Finances continue to occupy the Board's concerns and Terry Scandrett, the Finance Committee Chairman reported a very successful year in that the School has maintained a high enrolment and has kept operating expenses slightly below budget. Careful monitoring of the cash flow reduced the need for extended bank borrowing in relation to previous years. The financing of the new rink will increase our deficit in the current fiscal year, however, the 1978 budget covers a carrying and operating cost for this facility, once it is completed.

The Long Range Planning Committee has been investigating the advisability of providing additional staff housing in order to make recruitment of new staff easier and in order to assist in better long term planning of faculty careers. This problem is not resolved but a gradual programme of improving staff accommodation is being re-

Editor - - Sam Heaman

viewed by the Property Committee, with particular emphasis on Gooderham House.

In this regard, Gooderham House was partially renovated to provide four modernized rooms on the ground floor and it is planned to continue this programme until the entire House is put into a first class state. Also, an additional fire escape was attached to the east end of this House.

Last summer the Headmaster's residence was repaired, it having sustained a degree of settling of its foundation manifested by excessive cracking throughout the house; this has all been repaired.

The renovation of the School is an on-going process. Now that the winter sports facility is nearing completion, the Property Committee will re-focus its objectives as to how best to spend the \$60,000 allocated to it for annual maintenance and modernization.

As we move into a new year, there are a number of issues to deal with such as the Blair Report on Municipal Taxes and Federal French Grants to the Government of Ontario. In forthcoming issues of 'Tiger' we will keep you up to date.

A.L.K.

46th Annual Association Week End

The highlights of Association Week End this year were three. The Class reunions, the celebration of the 50th anniversary of the

A Barbershop Quartet from the Lower School of '27 — John Newman (34), Bob Mitchell (33), Rodger Murphy (37), Ken Hudson (37), assisted by Rev. Donald Hunt, Lower School Headmaster.

opening of the present Lower School building and the football game with Appleby, taken in the order of your personal preference.

The reunion classes this year were:

40th — 1937	Tom Jarvis, Secretary
25th — 1952	Norris Walker, Secretary
20th — 1957	Alex MacEachern, Secretary
19th — 1958	Tom Richardson, Secretary

All of the secretaries worked hard publicizing their reunions and the turn outs were excellent — in the teens for 1937 and in the twenties for the remainder. The classes were fortunate to have a representative living in St. Catharines who hosted their Friday or Saturday evening party. Larry Smith and his wife Briar were the 1937 hosts, Norris and Marilyn Walker 1952, Barry and Bettianne Matheson 1957 and John and Peggy Walker the 1958 Class.

A photograph of the Cairn commemorating the memory of Dr. John R. Hamilton, Headmaster 1949-61, erected through the generosity of the Class of 1951, on the site of the Hamilton Rose Garden and unveiled during the Association Week End. In the photograph are Mrs. J. R. Hamilton, her son Dick (51) with his wife Pat and their three sons, David McBride Class Secretary of 1951, his wife Joan and the Headmaster.

A good number of those who attended had not been back to the School in many years. Your correspondent, who talked with a lot of the reunion Old Boys, was pleased to learn that they enjoyed the Week End. Quite a few seriously plan to keep in closer touch with their classmates and the School in the future.

The Rev. Donald Hunt, Headmaster of the Lower School and his wife Nancy, entertained all those who returned for the Week End who had been enrolled in the Lower School in 1927. About a dozen of these Oldtimers were present and it was a pleasure to have them visit the School again.

As far as we know the oldest Old Boy in attendance was H. Ross Wiggs (15) who recently moved to Hamilton, Ontario after living in the Montreal area for many years. He was hale and hearty and enjoyed his first visit to the School since the last war. In contrast we estimated there were well over 50 of the Class of '77 who appeared over the Week End. We all enjoyed seeing these new graduates very much and hope they will continue to attend the Week End in the years to come.

The football game against Appleby on Saturday afternoon was a real thriller and is written up in the football article on another page. Suffice to say that Ridley eked out a 17-16 win with a field goal in the last three minutes of play.

The School very much enjoys the Week End from the youngest students to the Senior masters. We are sure those of you who attended did so as well. Spread the word and make 1978 the best ever with the largest reunion classes ever.

Thank you!

Soccer 77

The Ridley Soccer teams enjoyed another most successful season and the standard of the game has developed to a very high level.

FIRST TEAM

The first I.S.A.A. game against T.C.S. was played under the most atrocious conditions, with each team struggling through the mud, the rain and the wind to share a 1-1 tie. The team soon developed into a cohesive unit under the leadership of Ale Faes and Dave Thompson. Goalkeeping duties were shared by John Li and Sandy Craik, with a strong defence in Jim Wood or Peter Cowperthwaite, Jon Finck and Willie Olyslager. The mid-field had the strength and power of Dave Thompson, the finesse and skills of Ramin Khorosani and the strong forceful play of Duncan Knight. The forward line with Craig Jurden and Rick Naylor, on the wings, provided speed and thrust, and the goal scoring power of Ale Faes was outstanding; highlighted by a six goal performance against St. Georges.

League play was characterized by several high scoring games, Lakelfield (6-0), St. Georges (10-0), Pickering (9-1) and Crescent (5-3). However, we lost a crucial game at Appleby (1-3) and had to beat U.C.C. at Toronto to win the championship but only managed a 1-1 tie. The final game against St. Andrews was dominated by Ridley and we ended up the victors with a 3-0 score of a game, that from some points of view, might best be forgotten.

The I.S.A.A. championship was won by U.C.C. with Ridley second. The difference was due to one indifferent game, which we deservedly lost at Appleby. However, it was often mentioned that we had a fine team and perhaps the individual efforts of those seniors who are leaving, Jim Wood, Tom Land, Craig Jurden, Willie Olyslager, Sandy Craik and Ale Faes deserve special tribute. They had an excellent final season, one worth remembering. Well done! (The fine coach of the First team was Mr. Ray Napier -Ed.)

A special thanks to Ale Faes, who was an outstanding leader, goal scorer and most of all a fine sportsman. Other faithful members of the First team squad were Ed Holl and Alex Pringsheim.

Duncan Knight and Craig Jurden of the First Soccer team in action against S.A.C.

SECOND TEAM

The Ridley second team under the coaching of Mr. Brian Martin had a good season. There was a marked improvement in their play as the season progressed. Mark Lang was a stalwart on defence and Al Pereksta developed into a fine centre back. Carlos Hazard on the left wing was our main goal scorer and Alan Chan and the "Chinese Connection" made a fine contribution to the team. The midfield play of Juan Olyslager, Stephen Molz, Andrew Porter and Gerry Mercnik provided a solid base for the team and the goalkeeping duties were shared by Frank Moger and Kasra Khorosani. A season with a positive and determined attitude gave the Second team a most rewarding year.

Won 5

Lost 3

Tied 2

UNDER 16

The Under 16's under the coaching of Mr. Nat Caters had another fine season and were unbeaten in all their games. A team of remarkable physical size was led by Dino Faes with the defence marshalled by Stephen Stitt and the energetic midfield play of Mark Evans. The forward line with Frank Stanley, Paul Hickin, James Jurden, Keith Loo and Michael Moore was a powerful line which scored many goals. An excellent year!

Won 8 Lost 0 Tied 0

LEAGUE SOCCER

League soccer was divided into senior and junior divisions, with an all-star team, which played several games with other school teams. The league was organized by Messrs. Ray Nield, Richard Wright, Michael Scott, Simon Bruce-Lockhart, Trevor Davies and Paul Lewis with help in refereeing from senior boys.

Finally, a special word of tribute to Mr. Jack Aylott for his assistance, coaching, refereeing and outstanding organization. The high calibre of soccer at Ridley owes much to the dedication and endeavour of Mr. Aylott — we thank him most profoundly for his inspiration in helping our standards develop to their present, most excellent level.

R.N.

I.S.A.A. Champions Harriers 77

At the beginning of term, a group of people with masochistic tendencies again assembled in front of the gym. These were the Ridley Harriers. Most old colours had returned, and with a huge turnout, that did not diminish over the season, it looked as if we would again have a very successful year.

Under the stern coaching of Mr. Jon Silver, we soon developed into a strong team. In addition to the old colours, Jeremy Pridham (Captain), Drew McLaren, Howard Mockler, Hazen Sise and Mark Wilson, a few new faces looked promising.

The Harrier team. Winners of the I.S.A.A. Championship for the second year in a row

John Rudd, in his first year, was making huge strides as were Timothy Davies, Peter Greenwood, Terence Minc, and John Walker, our only junior. Ann Patchett and Kim Stitt our first full-time Dean's House members, ran well all season as did returning veterans John Ball, Derek Fraser and Evan Fuller.

In our first meet at Ridley we proved to have a strong Senior team, who won handily. The Intermediates showed that they were also in contention. With practice meets at Burgoyne Woods and Brock University we were ready for the I.S.A.A. meet at Appleby and the zone 4 meet at Burgoyne Woods, which fell on consecutive days.

With a scratch Junior team, I think we surprised even ourselves by winning the I.S.A.A. meet easily over U.C.C. (by a good 40 points). Hazen Sise, Mark Wilson and Mark Evans (from U/16 Soccer) each placed in the top 3 in their divisions for the second year in a row.

The next day at the Zone finals we fielded Senior and Intermediate teams. The Seniors ran well against very much strengthened City teams. We took third place, enough to go to S.O.S.S.A. finals. Hazen Sise and Jeremy Pridham ran to 8th and 9th positions. The Juniors were eliminated, unfortunately.

The S.O.S.S.A. meet was held at one of the most gruelling courses around Ancaster. The Seniors set out with Ann Patchett, who also made the S.O.S.S.A., and all ran their best over an extremely difficult run. The Seniors came in third as a team and missed the O.F.S.A.A. finals (1st and 2nd qualify). Hazen Sise, running 7th, missed going on to O.F.S.S.A.A. by two places. Drew McLaren (running in a higher division), Howard Mockler, John Ball, Terence Minc and Ann Patchett all ran well.

In the school cross-country, the Harriers again showed the School what they could do by taking most top positions. The winners were:

Senior — Hazen Sise, Intermediate — Mike Wilson, Junior — Mark Evans (non-harrier).

The team would like to thank Mr. Jon Silver for doing a superb job in pushing us further than we ever thought we could go. With the help of John Cowperthwaite (manager) he moulded one of the finest teams in Ridley history.

H. J. Sise

Financial Support Committee

Annual Report 1976-77

A new plateau was reached toward the goal of achieving an annual giving target of \$100,000. Total contributions of almost \$75,000 (\$74,246) were received by the Ridley College Foundation and the Ridley College Scholarship Fund Inc. from 1,323 members of the Ridley family.

In addition to these funds, \$74,920 was contributed in the form of Capital, Scholarship and Special Donations. Thus the total contributed to Ridley in 1976/77 was \$149,166 excluding those funds contributed to the Rink and Winter Sports Building Campaign.

One cannot report on Ridley fund raising activities without making specific mention of the superb support the Rink Fund has received towards its goal of \$825,000. The Board of Governors recognizing the potential negative impact a broad appeal would have on Annual Giving decided the funds for the new Rink and Winter Sports Building would be raised through a very restricted canvass. However, it should be made quite clear that if anyone wishes to contribute to this special appeal their support will be warmly appreciated. At the time of writing, an additional \$110,000 is required to complete the project.

Annual Giving continues to be of great significance to the financial health of the School. The goal this year is \$80,000

which is a minor increase over the previous year. With the continued support of those members of the Ridley family who contributed last year and the additional support of those persons who did not this year's objective will be attained.

If you have not made your 1977/1978 contribution, please consider doing so now as Ridley continues to merit your support!

The pages that follow list all the contributors to the School during its past fiscal year, July 1, 1976 — June 30, 1977, with the exception of those who contributed to the Program for Excellence who have been thanked individually.

George M. Hendrie, Chairman, Financial Support Committee

U.S. Scholarship Fund Meets

At the annual meeting of the Ridley College Scholarship Fund, Inc., held in Buffalo, N.Y. on October 21st, the Board accepted the resignation of C. S. (Bus) Brown (43) as Secretary and as a director, with regret.

Porter P. Pfohl (43) was appointed Secretary and R. Michael Rial (66) was appointed to the Board of Directors.

The Board approved the sum of \$18,000 to be sent to the School for scholarships.

George D. Enos, Jr. (41)
President

Rowing Overseas 77

When the August issue of Tiger came off the press last fall, my parting words in the article on rowing were "Without a doubt, this is one of the best seasons for rowing at Ridley".

While this same issue was literally going to press, there was a great deal more going on, 3,000 miles away, with 20 dedicated oarsmen, 3 busy coaches and 1 travel weary manager.

In summation, not only was it a successful season in Canada and the United States for Ridley oarsmen, but also in England.

At the Nottingham International regatta, the Junior Novice Heavy Eight with coach Mr. 'Munch' McIntyre on the shoreline, won both the Senior 'C' and 'B' eights. The first time any crew from a Club or a high school from Canada had ever accomplished that feat.

One week later at the Royal Henley, this same crew reached the quarter finals in the Ladies Challenge Plate, a premiere event for heavy senior oarsmen. Again a week later, they topped their three week rowing tour by winning the Senior 'A' eights at the annual Bedford town regatta. They were boated as: Chris Ferguson, Mike Wodchis, David Fitzpatrick, Mark Wilson, Tim Bristow, Jamie Hannah, Christopher Lloyd, Brooke Powell and David McInnes, coxie.

Coached by our own Mr. Nick Holmes, the Junior coxless-pair of Phil and Bob MacDonald, who went along as the spare pair, did not earn their spurs until the Bedford regatta where they won the Senior 'A' coxless-pair race.

At Nottingham, one of the twins was fighting a virus and was unable to row. At Henley, they were good enough to reach the quarter finals in the spare pair race.

The School's Senior Heavy Eight, with coach Neil Campbell, won the Princess Elizabeth Challenge Cup after having to come from behind in their final two races. This was not the year for winning "easily" — as the British commentators put it! Ridley is the first school to have won the Princess Elizabeth Challenge Cup four times since the inaugural year of 1946.

Bill Christie, Andy Messer and Paul Jeffrey returned and had a well deserved holiday for the rest of the summer. Peter Greenwood, Rick Chaplin, Jim Vanderburgh, John Hopmans, Paul Dorland and Brian McMahon came home only long enough to train for the World Youth Championships at Tampere, Finland in early August, where they represented their country in the Youth Eight, and finished tenth overall in the competition.

Jose Ibarra and Douglas Littlejohn during R.L.S. cross-country race

Cricket England Tour '77

One of the great pleasures of cricket is to go on tour. The Ridley Eleven of 1977, plus four selected players from the Seconds tasted this pleasure during a twenty-two day tour of England last June and July.

The schedule provided matches against schools in three different areas of the country. The Ridley party was based in guest houses in each centre and travelled by mini bus and car to play the matches.

From Oxford we played Elevens at Radley, Bradfield and Abingdon. After a day at Lords watching the Test Match between Australia and England the party travelled to the West country for a six day stay near Bath. The weather in England at the beginning of June had been very unsettled but sunshine appeared to follow our steps and the matches with Monkton Coombe, Millfield, All-hallows and King's College, Taunton were played in glorious weather and provided much exciting cricket. Ridley won two of these matches virtually in the last few minutes of play and lost another by only four runs.

The next journey took the group into Sussex and a stay of several days in Hove. On the way we stopped over at Stonehenge and became regular tourists for an hour or so. Matches from this base included Hurstpierpoint, Sutton Valence, Christ's Hospital School — Horsham and Dulwich. From here also the programme included a day at Wimbledon to watch the All England Tennis Championships and a day at the Royal Henley Regatta to cheer on the Heavy Eight.

On the journey back to Oxford the stopover to see Eton College and the Windsor area was another pleasure.

The Eleven suffered defeat in their final matches versus Reading, Wellington and Stowe. All these schools produced entertaining batting and a variety of spin bowling, too much for the rather weary Ridley cricketers. About this time a day of rain would have been very welcome!

At various matches during the tour it was a pleasure to see (and to have the support) of many Ridley friends.

Thank you Peter Smith, Chris Tubbs, Tony Thres, Robert Penney, George Donaldson (ex staff) Stephen Coppinger, the Parks family, John and Cose Guest, Terry Cronyn and many others.

Ridley cricket will benefit from the experience gained in England, but the success of the venture will most surely be in the fellowship, on and off the playing field, that developed in the whole Ridley party and also with their opponents from the other schools.

Tour record. Won — 4 Draw — 4 Lost — 6

W A A

Mr. Tom Mitchell conducting the School orchestra during the production of 'Noyes Fludde'

Lower School Notes

With the second week in September came 75 new boys to the Lower School to bring our total to 167. The summer was now officially over and the Lower School building entered its fiftieth year of existence.

The other new faces greeted the never-ending stream of bodies, some new and some old. The first belonged to Steve Cowburn, this year's immigrant from the British school system. He is a graduate of St. Edwards, and we wish him all the best for the year. The second new face was that of Mr. Gerd Siewert, the new addition to the French and Latin department. We wish him, his wife and his two children a long and rewarding stay at Ridley.

The opening weeks (it seemed like months) were heralded by the worst weather seen in some years. Continual rain forced disruptions in the athletic program and made numerous demands on our crowded gymnasium facilities. Once the rains stopped, poor drainage on the front and B. squad fields further hindered team practices.

Two football and eight soccer teams represented the Lower School against various forms of opposition this year.

The First team football was lead by Will Drope and Brian Wannamaker, and had a most successful season, losing only three matches. The highlight of the year was a four day, two match tour to Ottawa and Montreal. The squad played Ashbury College and Lower Canada College, and was also treated to many cultural and educational (in its broadest sense) activities during the tour. Mr. Rick Coy, Mr. Bill Laidlaw and Mr. John Walker (an old boy and parent) deserve much credit for their efforts on behalf of this trip.

The Second football team did not, unfortunately, find it easy

R.L.S. First football team in front of Parliament Buildings in Ottawa

to find fixtures. Led by Scott Morcock and Riyaz Kanji the team won two of its five matches.

The First soccer team, led by Tom Bozer, Leonardo Sanchez, Andrew Olcott, Jorg Gonzalez and Jose Ibarra had a mixed season, winning most of its matches. The squad played very well on occasion, but at other times lacked consistency and depth.

The Seconds were over-matched throughout most of the year, despite the play of Webb Brewer, Scott Daniel, Joey Slesar and Simon Kelly. The latter half of the season did witness some success.

The Third soccer team was the most successful team in the School. It rolled over most of its opposition and saw Scott Doty, Patrick Thompson, Andrew Cserpes, Victor Mercnik and Kevin O'Brien as its stalwarts.

The highlights of the soccer season were the two tournaments held at the School this year. The Under-Fifteen tournament was held in September, and was won by Upper Canada College. The final match with Appleby was extremely close and well played.

The Under-Thirteen tournament was held at the School during

the Thanksgiving weekend. Nine schools from Winnipeg to Halifax, came to the tournament, which was organized by Mr. Michael Rice. Eventually Hillfield defeated Ridley in the final match, played in the pouring rain.

During the fall, a number of Lower School students ran with the Upper School in Harrier meets. Two boys, Simon Kelly and Scott Daniel, were members of the I.S.A.A. Championship team.

The Cross Country Race had 160 entries and was won by Scott Daniel. Steve Moore finished second and David Wright came third.

After mid-term, boxing began and three weeks later the finals were held. Jose Ibarra was awarded the Best Boxer trophy, Jason Dorland was runnerup, Scott Morcock was the best Junior boxer and Ben De la Cueva was the gamest loser.

R.L.S. Under 13 soccer team

The Seventy-fifth Cross Country Supper was held on the last night of term. Mr. David Wilson proposed the toast to the winners and this was responded to by Steven Moore. Scott Daniel then toasted the non first-teamers and Scott Hunt replied. Robert Lewkowitz spoke to the new boys and was responded to in kind by Eric Burpee and Jose Ibarra. Finally, Mr. John Guest proposed the toast to the School. It was great to have both John and Cose officially back at the School.

One would think that all that was done in the Lower School was on the sports field. However, other activities were much in evidence. The Rocket Club has already taken off. The Grade Nines saw a performance of Thark at the Shaw Festival Theatre. The Eighth formers saw a Carousel Player's production at Brock.

A large portion of the Lower School was involved in the Music department production of Noye's Fludde. Will Drope and Simon Kelly sang the parts of two of Noah's sons. A lot of time and effort went into this and the success of the performances was most gratifying.

Will Drope and Brian Wannamaker meet the Captain of the Lower Canada College football team

During the Association Weekend special events marked the fiftieth anniversary of the present Lower School building. About a dozen Old Boys of the 1927 Lower School returned and were our guests of honour. This was a fitting beginning to the Lower School's second fifty years.

C.J.L.

Parents Notes

Mr. G. H. Cowperthwaite of Toronto, Ont., father of Philip H. (71) and Peter G. and John C. (current students) has been elected President of the Canadian Institute of Chartered Accountants.

Dr. H. B. Mayo of Manotick, Ont., father of Daniel H. (68) was the Commissioner and author of the 'Report of the Ottawa-Carleton Review Commission', Commissioned by the Treasurer of Ontario to review the Regional Municipality of Ottawa-Carleton.

Mr. Robert L. Pierce of Calgary, Alta., father of Bradley J. (current student) executive vice-president of The Alberta Gas Trunk Line Co. and President of The Alberta Gas Ethylene Company Ltd., has been appointed a vice-president of Foothills Pipe Lines (Yukon) Ltd.

Marriages

Charles F. K. ASHBAUGH (69) on 30 September, 1977 in Miami, Florida to Miss Susan McKenna.

Paul D. BLANCHARD (66), on 2 July, 1977 in Toronto, Ontario to Ms. Janet Bradley.

Christopher J. D. CHAPPELL (74) on 8 July, 1977 in Kitchener, Ontario to Miss Deborah Richards.

David M. CRAIG (65) on 17 September, 1977 in Toronto, Ontario to Miss Roslyn Green.

Christopher C. DALTON (66) on 30 September, 1977 in Toronto, Ontario to Miss Madeleine Adamson.

Paul R. H. FEASBY (70), on 18 June, 1977 in Toronto, Ontario to Miss Janet Karpus.

David S. GRANT (72) on 3 September, 1977 in Vancouver, British Columbia to Miss Joanna Hayward.

Jay B. HANSEN (68) on 3 September, 1977 in Scituate, Massachusetts to Miss Pamela Ward.

Christopher H. HEBB (60) on 1 October, 1977 in Vancouver, British Columbia to Miss Dorothy Wettstein.

Allan H. MacLEAN (65) of Burnaby, British Columbia on 9 October, 1976 to Miss Joanna Angela Wilk.

Terrence J. O'NEIL (61), on 27 August, 1977, in London, Ontario to Miss Susan Depuydt.

William L. REDELMEIER (71) on 14 May, 1977 in Farningham, Kent, England, to Miss Marilyn James.

Paul W. SZCZUCINSKI (72) on 10 September, 1977 in Toronto, Ontario to Miss Janet Angus.

Dennis R. BURNS (63) on 22 October, 1977, in Calgary, Alberta to Miss Jill Fleming.

Births

CONWAY, Douglas A. (66) on 9 June, 1975 a son, Andrew David, on May 9, 1976 a daughter, Jennie Katherine and on 1 June, 1977 a son, Charles Daniel Edwin, all in Toronto, Ontario.

DESAUTELS, Larry (staff) on 13 October, 1977 in St. Catharines, Ontario, a son, Gregory Lawrence.

DOHERTY, Trafford L. M. (67) on 26 August, 1977 in Horseheads, New York, a daughter, Elizabeth Ann.

EDE, William J. M. (56) on 21 August, 1977 in Montreal, Quebec, a daughter, Amy Joan.

ELWOOD, E. Lindsey (65) on 8 June, 1977 in London, Ontario, a son, David Yeates.

EVANS, T. A. Ralph (66) on 21 August, 1976, in England, a daughter, Anwen Katharine.

FRAWLEY, Nigel H. (54) on 13 July, 1977 in Toronto, Ontario, a son, James Grant.

GLASSCO, David K. (61) on 29 October, 1977 in Manchester, England, a daughter, Bridget Meredith.

GRIFFIN, Timothy K. (68), on 24 June, 1977 in Toronto, Ontario, a son, Adrian Kirkfield.

HOPPER, Kenneth (63) on 8 December, 1977 in Toronto, Ontario, a son, Adam Clark.

KITCHEN, Paul (staff), on 26 November, 1977 in St. Catharines, Ontario, a daughter, Stephanie Dawn.

LAWRENCE, Charles A. F. (70) in August, 1977, in Streetsville, Ontario, a second son, Eric.

MACINTOSH, Ian H. (67) on 1 August, 1977 in Toronto, Ontario, a son, James Ian.

MARLER, William DeM. (66) on 21 September, 1977 in Vancouver, British Columbia, a son, Benjamin Tynan.

MILNES, Ian D. (68) on 12 November, 1977 at Toronto, Ontario, a daughter, Lindsey Anne.

PANET-RAYMOND, Pierre (70) on 28 April, 1977 in Montreal, Quebec, a son, Philippe.

ROWLAND, James W. (63) on 9 October, 1977 in Toronto, Ontario, a son, Geoffrey Winston.

SCHMON, Arthur A. (68) on 3 October, 1977, in Vancouver, British Columbia, a daughter, Lisa Gilbert.

STERNE, John J. (67) of Acton, Ontario, on 25 October, 1977 at Guelph, Ontario, a daughter, Stephanie Ann.

STRASENBURGH, James A. (69) on 30 November, 1976 in Guaynabo, Puerto Rico, a daughter, Sarah Houghton.

TAYLOR, Timothy N. (68) on 1 December, 1977 at Mississauga, Ontario, a son, Henry James Geoffrey.

TOOTON, A. Geoffrey (70) on 20 October, 1977, in St. John's, Newfoundland, a son, Anthony McGrath.

WALKER, D. Stephen (61) on 28 January, 1977 in Edmonton, Alberta, a daughter, Stephanie Anne.

WHELPTON, Terry M. (66) on 7 November, 1977, in Toronto, Ontario, a son, Mark.

Deaths

RONALD C. BERTRAM (24), on 9th October, 1977, at Toronto, Ontario.

JOHN L. M. FITZGERALD (39), on 26 January, 1977 at London, Ontario.
